

BIRTHDAY CELEBRATIONS at School

The School is happy to help you celebrate your child's birthday with their classmates in a traditional "Celebration of Life." The celebration is scheduled after their morning Montessori work period; please contact the office one week prior to your child's birthday so we can arrange the date and time.

The teacher sets up a circle of months surrounding the sun in the middle of their circle. A candle is lit to represent the sun. The child holds a globe and walks around the sun to represent each year.

Parents are asked to bring 1 photo of their child representing each year from birth to present either mounted on a poster board or individual pictures. Please also bring special napkins and a special snack for the celebration. Goodie bags are optional. Below is a list of options to choose from for the birthday celebrations:

Fruit pizza, fruit cups, or fruit kabobs
Muffins-no chocolate or chocolate chip
Small vanilla ice cream cups
Non-chocolate cookies
No icing or sprinkles

Thank you!
